Second term is nearly over and there are a couple of important events that will be taking place. At 2.30 pm, Friday 2nd July, we will be holding the end of term assembly here at the school. All are welcome! The assembly will be run by our Year 6 student, Ned Dawson. Students will be presenting samples of their work and demonstrating some skills.

I will also be handing out students’ reports on the last day of term. Parent teacher interviews will be held in the first week of Term 3, so that parents who wish to may discuss their children’s progress with me. Notes will be sent home today for parents to select times and dates that suit them for an interview.

I wish everyone a safe and enjoyable holiday!

Pupil Free Day

Monday 19th July is a pupil free day. School will commence Tuesday 20th July for students.

Hello Mrs Reid!

We hope you are feeling better and more mobile. We are looking forward to seeing you back in the classroom as soon as you feel up to it. We all miss you!

Guitar Lessons

Phil Gresham will be offering guitar lessons for beginners from the start of Term 3 at the Marra School. Lesson times can be arranged to suit. Anyone interested can contact the school for more information. Phone: 68244358.

Excursions Term 3

The School will be open Thursday 29th and Friday 30th July for those students who have returned from Lake Keepit in Week 2 of Term 3.

Life Education

The Life Education van will not be at Carinda next week, due to ill health of the presenter.

Talent Quest and Disco

Students will still be travelling to Quambone School on 1st July for a talent quest and disco. Start time of 11.30am at Quambone. If anyone is able to assist with transport could you please let me know?

Musica Viva

Students, parents and staff all enjoyed the day at Hermidale Public School last Thursday. The performance was titled “Sounds Baroque” and was a comic enactment of excerpts of Shakespeare’s “The Tempest”. The musicians played baroque instruments and the singers sang in operatic style. The performance was interactive; the students participated with actions and singing. After the performance, students enjoyed dance activities and constructed musical instruments out of everyday objects.
Scripture

Steve and Rosalie Goldsmith from the “Presbyterian Inland Mission” are offering scripture lessons to Marra students. Notes will go home today.

Cross Country

The weather was unseasonably warm for the Regional Cross Country at Wellington last week. We were thankful that there was no ice or howling southerlies, just warm sunshine to bask in. Ida placed 17th and Ned placed 14th in their respective age groups – good achievements given the group sizes of 50-60 children.
